OUR MISSION & VISION

Our mission is satisfy customers with superior quality and value & become an innovative organization and preferred buyer. We recognize that the needs of all the products we can promote, in every potential form. Our employees work to find better ways to satisfy the customer.

To be the most trusted and respected professional services firm to our stakeholders, customers, employees, suppliers, shareholders and society. We put all necessary efforts to become one of the best cohesive textile enterprise, driven by ambitious quality, analysis with leadership position across merchandise & market where customer satisfaction will be exceeded.

OUR CONCEPT

OUR SERVICES

We develop and provide samples as per buyers Design, Specs/Techpack & Fabric quality to obtain buyers approval before heading to production through our professional Merchandisers and Quality Controllers who always keep a close check on sampling and production.

Our Quality Controllers visit the factory with regular intervals to make sure to meet our Quyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all production will meet buyer's requirement. We always want to deliver satisfaction to our customers; we monitor the order from sourcing of raw materi- als and accessories to production and up to the final.

To ensure the quality, desired weight, construction and color etc. we evaluate the capaci- ty and capability of every factory. We also check environmen- tal control, safety laws, labor practices and adherence to labor laws. We make sure thatour supplier can meet our requirements when it comes to reaching the average number of pieces produced as per buyer's requirement ata given period of time to meet schedule.
